

July 18, 2020

An update from The Wisconsin International Poultry Club:

*It is with deep sadness that we announce the 2020 Wisconsin International Poultry Show, scheduled for September 26 & 27, is cancelled.*

The Wisconsin International Poultry Club executive committee reached this difficult decision based on the public health orders and restrictions related to Covid-19 in place and issued by The City of Portage. The Columbia County Fairgrounds, home of the Wisconsin International Poultry Show, is a city-owned facility. The city of Portage declared a Local State of Emergency, extending to September 30, 2020. Because of this mandate and its restrictions, The Wisconsin International Poultry Club made the difficult decision to cancel our 2020 event.

We look forward to hosting all of our exhibitors, volunteers, attendees and poultry friends on September 25-26, 2021 in Portage, WI for The Wisconsin International Poultry Show, “One of America’s Prestigious Shows”!
